CREATION CARE & CARBON REDUCTION

In solidarity with future generations, grounded in our Christian duty to preserve and protect God's creation and promote justice, we will educate, empower, and support the cathedral and its members to become carbon neutral by 2030.

CREATION CARE

3

Things to know for 2022

- Increasing Carbon Tracker participation
- Growing partnerships and connections in the Seattle community (Earth Ministry, Faith Action Network, churches in the diocese, Good News Gardens, Harbor Roots Farm, Lowell Elementary, Nurturing Roots, Oxbow Farm and Coltura).
- Facility and campus improvements to support carbon reduction

INTERGENERATIONAL & INNOVATIVE COMMUNITY

As we envision ways of being Church in a post-pandemic world,

we will foster spiritual growth and nourishing relationships among members of the cathedral community through intergenerational programming, small group gatherings, and innovative ways to incorporate those new to Saint Mark's as we seek to become Beloved Community.

INTERGENERATIONAL & INNOVATIVE COMMUNITY

RESTORATIVE JUSTICE & SYSTEMIC CHANGE

Drawing on our scriptural enjoinder to do justice, love mercy, and walk humbly with God, we will renew our commitment to seek and serve Christ in all persons, working toward restorative justice and the dignity of every human being while lamenting and working to change those systemic evils—in the church and the world—that corrupt and destroy the creatures of God.

RESTORATIVE JUSTICE & SYSTEMIC CHANGE
