

Stay Connected: Virtual Ministry Opportunities at Saint Mark's

A list from Vestry highlighting ways you can engage in ministry even when not on campus.

- 1) **Attend a different service** such as [Choral Evensong](#), [Compline](#), or [Taize](#) via livestream. Watch for special services which are livestreamed as well (e.g., O Antiphons, Ash Wednesday, Holy Week and Easter Vigil, etc.)
- 2) **Pray the [Daily Office](#) together** via Zoom.
- 3) **Join a small group** to study scripture, pray and connect with others (learn more about [Radix](#)). Questions? Email radix@saintmarks.org
- 4) **Engage in weekday community [forums](#)** to learn more about topics of faith and spirituality.
- 5) **Sign up for a [Wisdom School](#) offering.** This year's theme is "An Embodied Spirituality."
- 6) **Participate in a mutual discernment group** to explore a particular life question you may have. Email clergy if interested.
- 7) **Connect with a committee.** All of the standing committees of the Vestry currently meet virtually. See schedule information and contact information below to get connected.
