

## The Chapel of the Resurrection

### Niche Price Sheet

Anyone is welcome to be buried in the Chapel of the Resurrection. Pricing for niches are offered at a member rate and a non-member rate; anyone who is an active participant in a parish in the Diocese of Olympia qualifies for the member rate. Niches can be purchased at anytime and multiple niches can be purchased at a time. There are two styles of niches in different sizes.

#### Bronze-Fronted Niche

For the bronze-fronted niches, ashes are transferred into a very simple container that we provide and placed behind the faceplate. The faceplate has a plaque with the name and years of birth and death of the occupant.

The glass-fronted niches are intended to house and display a separate urn provided by the family. The glass-front niches come in a variety of widths, including some wide enough to accommodate multiple urns. All niches are approximately 12 inches deep and 12 inches high (with the exception of one row designed for horizontal urns). All dimensions are approximate, so please confirm urns will fit your niche before purchasing.
